

Investor Presentation

April 2025

Important Notice

NOT FOR DISTRIBUTION OR PUBLICATION, DIRECTLY OR INDIRECTLY IN OR INTO THE EUROPEAN ECONOMIC AREA, CANADA, JAPAN, MALAYSIA, THAILAND OR AUSTRALIA

The information contained in this presentation is for information purposes only and does not constitute or form part of, and should not be construed as, any offer or invitation to sell or issue or any solicitation of any offer or invitation to purchase or subscribe for any units ("Units") in Keppel Infrastructure Trust ("KIT"). This presentation is strictly confidential to the recipient, may not be relied upon by any other party or for any other purpose, reproduced, retransmitted or further distributed to the press or any other person, may not be reproduced, redistributed, passed on or otherwise disseminated or quoted, directly or indirectly, in any form and may not be published, in whole or in part, for any purpose to any other person in your organisation or elsewhere without the prior written consent of the Trustee-Manager (as defined hereinafter). This presentation should not, nor should anything contained in it, form the basis of, or be relied upon in any connection with any offer, contract, commitment or investment decision whatsoever and it does not constitute a recommendation regarding the Units.

The issue or distribution of this presentation in the United Kingdom, is being made only to, or directed only at, "professional investors", being investors that are considered to be professional clients within the meaning of Article 2(1)(8) of Regulation EU No 600/2014 as it forms part of UK domestic law under the European Union (Withdrawal) Act 2018, as amended, who are also either (i) "investment professionals" falling within Article 14 of The Financial Services and Markets Act 2000 (Promotion of Collective Investment Schemes) (Exemptions) Order 2001 (the "PCIS Order") and Article 19 of The Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the "FP Order"); or (ii) high net worth companies, partnerships, associations or trusts and investment personnel of any of the foregoing in each case falling within Article 22 of the PCIS Order and Article 49 of the FP Order (all such persons being referred to as "relevant persons"). Units are not intended to be offered, sold or otherwise made available to, and should not be offered, sold or otherwise made available to, any retail investor in the UK and therefore: (i) neither this presentation nor any other offering or marketing material relating to KIT or Units may be distributed to a retail investor in the UK and any dissemination by the recipient in breach of this restriction is not authorised and shall be at the liability of the recipient.

The past performance of KIT is not necessarily indicative of its future performance. Certain statements made in this presentation may not be based on historical information or facts and may be "forward-looking" statements due to a number of risks, uncertainties and assumptions. These "forward-looking statements" may be identified by their use of words like "plans", "expects", "will", "anticipates", "believes", "intends", "depends", "projects", "estimates" or other words of similar meaning and that involve assumptions, risks and uncertainties. All statements that address expectations or projections about the future and all statements other than statements of historical facts included in this presentation, including, but not limited to, statements about the strategy for growth and expansion plans are forward-looking statements. Predictions, projections or forecasts of the economy or economic trends of the markets are not necessarily indicative of the future or likely performance of KIT. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements due to a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar businesses and governmental and public policy changes, and the continued availability of financing in the amounts and terms necessary to support future business. Such forward-looking statements speak only as of the date on which they are made and KIT does not undertake any obligation to update or revise any of them, whether as a result of new information, future events or otherwise. Accordingly, you should not place undue reliance on any forward-looking statements. No assurance can be given that such future events will occur, that such projections will be achieved, or that such assumptions are correct.

Prospective investors and unitholders of KIT ("Unitholders") are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of Keppel Infrastructure Fund Management Pte. Ltd. (as trustee-manager of KIT) ("Trustee-Manager") on future events. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information, or opinions contained in this presentation or otherwise made available nor as to the reasonableness of any assumption contained in this presentation; and none of KIT, the Trustee-Manager, their advisers or representatives or any of their respective directors, officers, partners, agents, employees, representatives or advisers of any of the foregoing assumes any responsibility or liability therefore (including in respect of direct, indirect or consequential loss or damage) howsoever arising whether directly or indirectly from any use, reliance or distribution of these materials or its contents or otherwise arising in connection with this presentation. Nothing contained in this presentation is, or shall be relied upon as, a promise or representation, whether as to the past or the future and no reliance, in whole or in part, should be placed on the fairness, accuracy, completeness or correctness of the information and opinions contained herein. Further, nothing in this document should be construed as constituting legal, business, tax or financial advice.

The information in this presentation is a summary only and does not purport to contain all of the information that may be required to evaluate any potential transaction of the Units, any recipient should conduct its own independent analysis of KIT and its business, including through the consultation of independent legal, business, tax and financial advisers by such recipient. The information is subject to change without notice, its accuracy is not guaranteed, has not been independently verified and may not contain all material information concerning KIT. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. The value of Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, KIT, the Trustee-Manager or any of its affiliates and/or subsidiaries. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Trustee-Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on Singapore Exchange Securities Trading Limited ("SGX-ST"). Listing of the Units on SGX-ST does not guarantee a liquid market for the Units.

The information contained in this presentation should not be distributed, forwarded to or transmitted, directly or indirectly, in or into any jurisdiction where to do so might constitute a violation of applicable securities laws or regulations.

This presentation shall not be construed as an offer or sale of the Units in the United States and no Units are being, or will be, registered under the securities laws of any state of the United States or the securities laws of Malaysia or Thailand, or other jurisdiction and no such securities may be offered or sold in the United States, Malaysia or Thailand except pursuant to an exemption from, or in a transaction not subject to, the securities laws of any state of the United States or the securities laws of Malaysia or Thailand. No public offering of securities is being or will be made in the United States or any other jurisdiction.

3. Completed the first four closings of the German Solar Portfolio in FY 2024. The fifth closing was completed on 28 Feb 2025.

4. The sale of Philippine Coastal was completed on 20 March 2025.

Leveraging on the Sustainable Infrastructure Theme

Secular growth trends driving investment in KIT's key business segments

Secular Growth Trends

Energy Transition

Decarbonisation initiatives drives investments in **energy transition**, **renewables** and other **green infrastructure**

Rapid Urbanisation

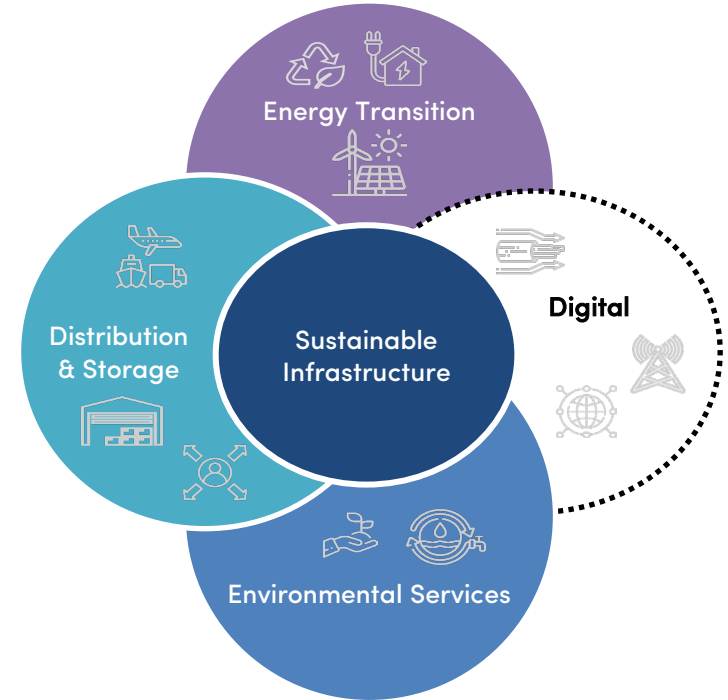

Urban population growth drives demand for **utilities**, **transportation** and other **social infrastructure**; emphasis on **circular economy**

Digitalisation

Digital transformation necessitates investments in **smart grids**, **fiber optics** and other **digital technologies**

KIT's Business Segments

Optimising Portfolio Through Value Creation

Unlocking value of evergreen portfolio by asset recycling

1 Acquisition

Leveraged to secular growth trends and/or aligned with sponsor
Keppel's operational expertise

- ✓ Expected returns of 10-15%
- ✓ Keppel's proprietary assets as potential pipeline

2 Growth and Value Creation

Driving portfolio performance with **strategic growth plans**

- ✓ Sharpen business focus
- ✓ Improve value proposition to increase market share
- ✓ Explore synergies within existing businesses
- ✓ Invest in growth capex and bolt-ons

3 Optimisation

Optimise and unlock value

- ✓ Potential asset recycling in whole, or in part
- ✓ Redeploy proceeds into higher yielding investments

Drawing on Keppel's Deep Engineering and Operating Capabilities

Operator-oriented DNA: Strong emphasis on value-adding and active management

Global Solutions

Leveraging Keppel's strong technical expertise and proven operating capabilities to provide solutions for the world's most pressing challenges

30 years'

Infrastructure investment, development and management track record

Ranked #3

Listed infrastructure asset manager by AUM²

Energy Infrastructure

- Developer of Singapore's 1st independent power project, hydrogen-ready advanced CCGT and district cooling systems
- ~3.7 GW renewable energy portfolio¹
- Pioneer retailer of gas and electricity in Singapore
- EV charging solutions provider in Singapore

Environmental Infrastructure

Water Reuse & Wastewater Solutions

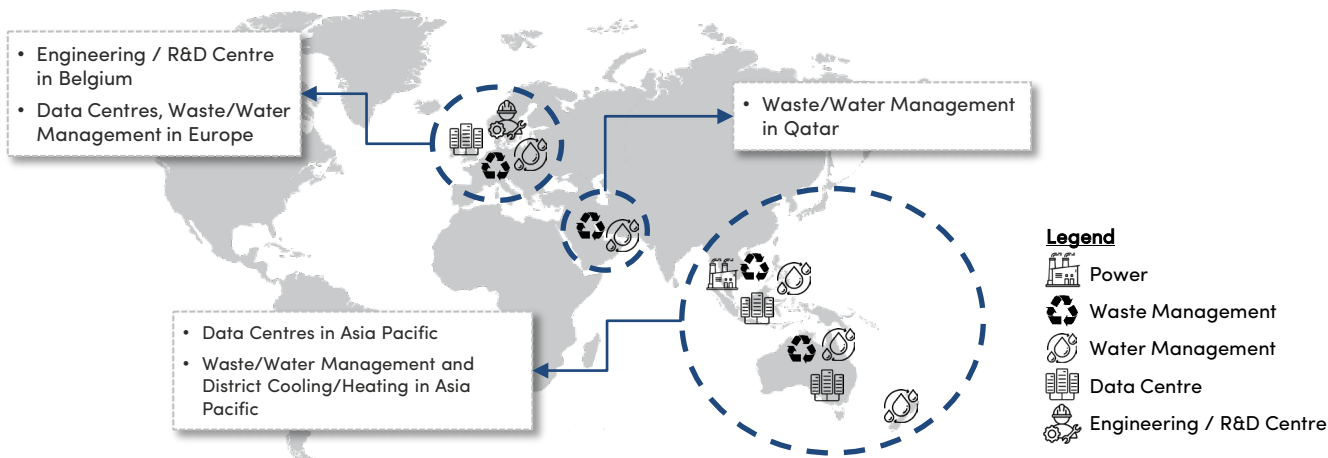

- Extensive range of wastewater treatment and water recycling solutions for all types of municipal and industrial effluent

Waste-to-Energy (WTE)

- >100 WTE projects & 150 WTE lines across 17 countries and 4 continents
- >35% of Singapore's municipal incinerable waste

Connectivity

- 35 data centres across Asia Pacific and Europe
- Jointly developing a subsea cable project to connect Singapore and west coast of North America, with Meta and Telin
- Enterprise Business Solutions and 5G offerings through M1

1. On a gross basis and includes projects under development

2. Keppel Ltd ranked third largest listed infrastructure asset manager by IPE Research. As at 31 Dec 2023.

Market Outlook

Infrastructure: Driving Sustainable Development

1

The trends in the infrastructure industry are very strong, even amid the market turmoil

- ✓ Investor appetite for infrastructure assets is expected to remain strong amid uncertain macro backdrop
- ✓ Listed infrastructure has historically produced above-average returns in inflationary environment with stronger inflation-linked cash flows and profitability

2

Looking ahead, the energy transition sector is poised to experience robust growth

- ✓ US\$4.8 trillion in global energy transition and grid investments e.g. renewables, EV, carbon capture, is required annually between 2024 and 2030 for the world to get back on track to net zero¹
- ✓ **Accelerate EV adoption:** Governments globally have introduced incentives and regulations to spur demand for EVs and curb transport-related emissions

3

Infrastructure supporting the circular economy will remain crucial

- ✓ Continued demand for waste to energy (WTE) and water desalination technologies, underpinned by the growth in urban population, industrialisation, and climate change

1. BloombergNEF estimates

FY 2024 Highlights

Ventura

FY 2024 Highlights

Strong performance supported by new acquisitions and steady portfolio performance

Increase in Distributable Income¹

(\$m)

Supported by resumption of contribution from KMC, new acquisitions, and steady portfolio performance

Continued Portfolio Growth

\$9.0b AUM²
+22% YoY

Portfolio growth with accretive investments across all business segments, enhancing cashflow visibility and stability

Growth from Value Creation

Philippine Coastal Storage & Pipeline Corporation

Record EBITDA performance from Ixom³, City Energy and Philippine Coastal driven by value creation

Solid growth in FFO

+8.6% YoY

FY 2024 FFO \$277.8m

Distribution Per Unit

3.90 cents

+1.0% YoY⁴

1. FY 2024 distributable income (DI) is \$200.6m, vs FY 2023 DI of \$316.8m which included a special distribution of \$131.2m. Adjusting for one-offs and timing differences, FY 2024 DI would be \$215.6m after adjusting upfront financing fee (+\$2.9m) and performance fee (+\$13.0m) net of PCSPC loan drawdown for capex (-\$0.7m) and base fees adjustment (-\$0.2m). FY 2023 DI would be \$209.7m after adjusting for BKR2 debt repayment (-\$22.4m) and capital optimisation (-\$131.2m) net of upfront financing fee (+\$13.4m), base fees adjustment (+\$14.0m) and performance fee (+\$19.1m).

2. Assets under management as at 31 Dec 2024. Represents KIT's economic interest in the enterprise value of its investments plus cash held at the Trust.

3. Based on Ixom's full year results for its financial year ended 30 Sep 2024, excluding one-costs and lease adjustments.

4. DPU in FY 2023 was 3.86 cents, excluding special distribution of 2.33 cents

Expansion Across KIT's Business Segments in FY 2024

Accretive acquisitions with stable cashflows supporting long-term growth

Energy Transition

German Solar Portfolio¹

Environmental Services

Keppel Marina East Desalination Plant²

Distribution and Storage

Ventura

Description	<ul style="list-style-type: none"> German solar portfolio comprising ~60,000 bundled solar photo-voltaic systems (incl. battery storage and EV charging systems) 	<ul style="list-style-type: none"> Singapore's first and only dual-mode desalination plant able to treat both reservoir and seawater, with daily capacity of 137,000 m³ 	<ul style="list-style-type: none"> Established bus operator in Victoria, Australia with largest market share of public commuter bus services
Business and revenue highlights	<ul style="list-style-type: none"> ✓ Long term lease agreements of 20 years with German residential households ✓ Strong cashflow visibility supported by regulatory framework in Germany 	<ul style="list-style-type: none"> ✓ Availability-based payments from PUB, Singapore's national water agency under a long term concession until 2045 ✓ Stable cashflow backed by AAA-rated Singapore sovereign credit 	<ul style="list-style-type: none"> ✓ Evergreen business with high barriers to entry ✓ Defensive cashflows with >80% of revenue from long term inflation indexed government contracts
KIT equity contribution and stake	<ul style="list-style-type: none"> €109m (S\$159m) 45.0% 	<ul style="list-style-type: none"> S\$35m 50% (which entitles KIT to 100% of economic benefit) 	<ul style="list-style-type: none"> Up to ~A\$338.3m (~S\$297.4m)³ 97.7%

1. Completed the first four closings of the German Solar Portfolio in FY 2024. The fifth closing was completed on 28 Feb 2025.

2. The acquisition of 50% equity interest in Marina East Water Pte. Ltd (MEW), which owns the Keppel Marina East Desalination Plant (KMEDP), that entitles KIT to the entire economic benefit of MEW, was completed on 27 Dec 2024.

3. Includes Rollover Aggregate Amount of A\$6.0m and Earn Out Payments (if any) of up to A\$20.0m.

Value Creation a Key Differentiation for KIT

AUM: \$9.0b⁴
Up ~22% from \$7.4b
as at 31 Dec 2023

1. The sale of Philippine Coastal was completed on 20 Mar 2025.
2. Completed the first four closings of the German Solar Portfolio in FY 2024. The fifth closing was completed on 28 Feb 2025.
3. The acquisition of 50% equity interest in Marina East Water Pte. Ltd (MEW), which owns the Keppel Marina East Desalination Plant, that entitles KIT to the entire economic benefit of MEW, was completed on 27 Dec 2024.
4. Assets under Management (AUM) as at 31 Dec 2024. Based on independent valuation conducted by EY Corporate Advisors Pte Ltd and Deloitte & Touche Financial Advisory Services Pte Ltd (except KMEDP and Philippine Coastal). Represents KIT's economic interest in the enterprise value of its investments plus cash held at the Trust. The valuation of KMEDP is based on the enterprise value at acquisition. The valuation of Philippine Coastal is based on the enterprise value of proposed sale as announced on 23 Oct 24.

Voluntary Independent Portfolio Valuation

Portfolio AUM of \$9.0b¹ with new acquisitions and value creation initiatives

Y-o-y AUM growth of 22% driven by new acquisitions and growth in existing businesses

A resilient and diversified portfolio

AUM (\$\$)

By Business and Assets

By Geography

1. Assets under Management (AUM) as at 31 Dec 2024. Based on independent valuations conducted by EY Corporate Advisors Pte. Ltd. and Deloitte & Touche Financial Advisory Services Pte Ltd (except KMEDP and Philippine Coastal). Represents KIT's economic interest in the enterprise value of its investments plus cash held at the Trust. The valuation of KMEDP is based on the enterprise value at acquisition. The valuation of Philippine Coastal is based on the enterprise value of proposed sale as announced on 23 Oct 2024.

Business Updates

Ixom

Business Updates: Energy Transition

Supports the transition to a low-carbon economy and furthers KIT's decarbonisation roadmap

Funds from Operations (\$m)

- German Solar Portfolio
- Renewables Portfolio (Windfarm Assets)
- Transition Assets (KMC and AGPC)
- City Energy

City Energy

- Achieved record EBITDA of \$85.3m, driven by strong contribution from City-OG and installation & contract services income
- Expanded EV charging portfolio with new sites secured in private residential and mixed developments, which expect to translate to ~4,800 EV charging lots when fully installed.
- Launch of attractively designed energy-efficient smart gas water-heaters, leading to higher customer onboarding since its introduction in Nov 2024

Transition Assets (KMC and AGPC)

- KMC:** 100% contracted availability for FY 2024
- Aramco Gas Pipelines Company:** Stable gas demand underpinned by long-term economic growth and favourable demographics

Renewables Portfolio

- Acquired German Solar Portfolio comprising approximately 55,000 bundled solar PV systems (including battery storage and EV charging systems), backed by 20-year lease contracts¹
- Continued progress in increasing output capacity at BKR2 to a maximum of 486MW

1. Completed the first four closings of the German Solar Portfolio in FY 2024. The fifth closing was completed on 28 Feb 2025.

Business Updates: Environmental Services

Provides the essential services that protect human health and safeguard the environment

Funds from Operations (\$m)

1. EMK FFO for FY 2024 is nominal.

Eco Management Korea Holdings (EMK)

- Maintained high availability and full utilisation of incineration capacity
- Renewed steam contract in Jan 2025 with major customer for 10 years at one incineration site, increasing EBITDA contribution to the site by 26%
- FY 2024 FFO was lower YoY due to near-term volatility in landfill price. Preserving landfill capacity due to softer pricing; prices are expected to improve gradually on the prospects of favourable policy adjustments
- Expansion of waste treatment solutions: Commencement of asbestos treatment business, new plastics recycling business has also commenced with volumes secured from pre-sales activities

Singapore Waste and Water Assets

- Fulfilled contractual obligations with stable operations in FY 2024
- Extended Senoko WTE concession, with nominal FFO contribution from 4Q 2024
- Exploring extension of concession for SingSpring Desalination Plant
- Completed acquisition of Keppel Marina East Desalination Plant on 27 Dec 2024

Business Updates: Distribution & Storage

Supporting and driving economic growth

Funds from Operations (\$m)

Ixom

- Record EBITDA of A\$200.3m¹ on strong contributions from the Water, Dairy and Industrial sectors on continued robust demand from customers. FY 2024 FFO was lower YoY due to higher interest expense and higher maintenance capex.
- Commenced construction of a new Bitumen facility in Queensland, more than doubling the existing daily capacity in anticipation of increase in contracted volumes
- Completion of additional caustic tank in New Zealand, increasing capacity in the region by ~30% to support growing demand from key customers

Ventura

- Secured early extension of bus service contracts² to 2028 on achievement of key performance targets
- Achieved market leading performance with 100%³ in bus reliability and 92%³ in bus punctuality, for the Jul – Dec 2024 period, fulfilling all performance targets

Philippine Coastal

- Record year for Philippine Coastal with EBITDA of US\$45.7m, up 33% YoY, on higher contract prices and high average utilisation for FY 2024 of ~94%
- The sale of Philippine Coastal was announced on 23 Oct 2024 and completed on 20 Mar 2025.

1. Based on Ixom's full year results for its financial year ended 30 Sep 2024, excluding one-off costs and lease adjustments.

2. Metropolitan Bus Service Contracts ("MBSCs") are long term (8+2 years) contracts entered into in 2018 for 8 years till 2026, with an automatic 2-year extension up to 2028 if certain key performance targets are achieved.

3. For the four major MBSC contracts.

Financial and Capital Management

City Energy

FY 2024 Distributable Income (DI) (1/2)

Contribution from new acquisitions and resumption of KMC DI

\$S'000	FY 2024	FY 2023	+ / (-) %	Remarks ¹
Energy Transition	146,563	147,706	(0.8)	
- City Energy	50,994	52,730	(3.3)	Lower fuel cost over-recovery due to timing of fuel cost passthrough (-\$7.0m) net of stronger performance from City-OG, installation and contract services income and higher town gas volume, offset by higher tax and capex (+\$5.3m).
- Transition Assets (KMC and AGPC)	77,945	48,817	59.7	Resumption of KMC's DI after capital restructuring (+\$37.0m) in FY 2024. Lower contribution from AGPC YoY due to marked to market gain from unwinding of interest rate swaps in FY 2023 and weaker USD net of higher FY 2024 throughput volume (-\$7.9m).
- Renewables Portfolio (wind farms)	10,303	46,159	(77.7)	BKR2's FY 2024 debt repayment was \$47.1m vs \$21.1m in FY 2023 (-\$26.0m). Remaining variance (-\$9.9m) due to higher tax paid in 2024, lower wind production, unplanned grid outage at BKR2 and lower electricity prices.
- German Solar Portfolio	7,321	-	N.M.	Contribution from first to fourth close of the acquisition.
Environmental Services	69,968	83,728	(16.4)	
- Singapore Waste and Water Assets	63,340	72,296	(12.4)	Mainly lower contribution from Senoko (-\$8.7m) and extension capex (-\$3.7m) incurred net of higher energy efficiency savings from SingSpring (+\$4.2m).
- EMK	6,628	11,432	(42.0)	Lower contribution due to near-term volatility of landfill price (-\$4.8m).
Distribution & Storage	99,255	73,092	35.8	
- Ixom	64,112	64,134	0.0	Higher interest expense (-\$20m) and capex (-\$12.6m) in FY2024 net of one-off upfront financing fee paid in FY 2023 (+\$10.4m), lower tax paid (+\$7.6m) and capex funded by debt (+\$17.7m). This is mainly offset by the absence of one-off service income rendered in FY2023.
- Philippine Coastal	9,863	8,958	10.1	Higher contribution due mainly to higher contract prices (+\$4.4m) and lower capex (+\$3.8m) net of higher debt repayment (-\$5.1m) and one-off upfront financing cost (-\$2.2m).
- Ventura	25,280	-	N.M.	Contribution following completion of acquisition on 3 Jun 2024.
Asset Subtotal	315,786	304,526	3.7	

1. The variance analysis should be made with reference to prior year comparative.

FY 2024 Distributable Income (DI) (2/2)

Contribution from new acquisitions and resumption of KMC DI

S\$'000	FY 2024	FY 2023	+/(-)%	Remarks ¹
Energy Transition	146,563	147,706	(0.8)	Please refer to slide 17 for the variance analysis.
Environmental Services	69,968	83,728	(16.4)	Please refer to slide 17 for the variance analysis.
Distribution & Storage	99,255	73,092	35.8	Please refer to slide 17 for the variance analysis.
Asset Subtotal	315,786	304,526	3.7	
Corporate	(115,209)	(118,932)	(3.1)	Comprises Trust's expenses and distribution paid/payable to securities holders, management fees and financing costs.
Capital Optimisation	-	131,164	N.M.	Special distribution in FY 2023 of \$131.2m.
Distributable Income	200,577	316,758	(36.7)	
Distributable Income (after adjusting for one-offs and timing differences)	215,588	209,712	2.8	<ul style="list-style-type: none"> FY 2024 DI would be \$215.6m after adjusting for upfront financing fee (+\$2.9m) and performance fee (+\$13.0m) net of PCSPC loan drawdown for capex (-\$0.7m) and base fees adjustment (-\$0.2m). FY 2023 DI would be \$209.7m after adjusting for BKR2 debt repayment (-\$22.4m) and capital optimisation (-\$131.2m) net of upfront financing fee (+\$13.4m), base fees adjustment (+\$14.0m) and performance fee (+\$19.1m). Higher FY2024 Distributable Income (after adjusting for one-offs and timing differences) is mainly attributed to positive contribution from new acquisitions (+\$32.6m), partly offset by lower contribution from Senoko WTE and windfarms (-\$22.2m in total) and extension capex incurred (-\$3.7m).

1. The variance analysis should be made with reference to prior year comparative.

Balance Sheet

Building a strong balance sheet to support growth

Balance Sheet (S\$m)	31 Dec 2024	31 Dec 2023
Cash	457	483
Borrowings	2,989	2,717
Net debt	2,532	2,234
Total assets	6,270	5,617
Total liabilities	4,262	3,785
Net Debt / EBITDA	5.1x²	4.8x
Net Gearing³	40.4%	39.8%
Interest Coverage Ratio	7.0x	15.0x⁴
Weighted Average Cost of Debt	4.51%	4.25%

72.9%

Weighted Average
Debt Maturity
(Years)

1. A 25bps change in interest rate would have a c.0.8% impact on FY 2024 Distributable Income.

2. Based on EBITDA for FY 2024, including EBITDA contribution from completed phases of German Solar Portfolio and Ventura from 3 Jun 2024.

3. Calculated based on book value of assets. There are no gearing restrictions on business trusts.

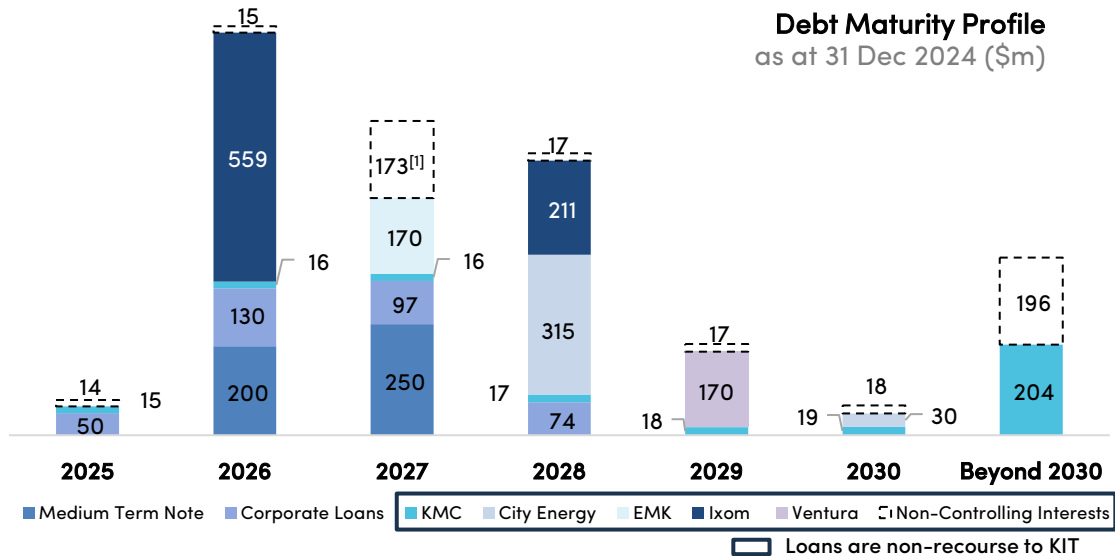

4. Excluding the Ixom capital optimisation, interest coverage ratio for FY 2023 would be 10.9x.

Capital Management

Well-spread debt maturity profile with healthy capital management metrics

- Issued \$200m in perpetual securities and \$200m via a placement in 3Q 2024 to fully repay the acquisition term loan utilised to partially fund the acquisition of Ventura.
- Obtained \$75m multi-currency revolving facility in 4Q 2024 to facilitate KIT's growth; total undrawn committed facilities of S\$608m as at 31 Dec 2024.
- Acquired a 50% equity interest in Marina East Water Pte. Ltd., financed with internal sources of funds and existing debt facilities.

Debt Maturity Profile
as at 31 Dec 2024 (\$m)

Debt Breakdown by Currency
as at 31 Dec 2024

1. NCI debt value of \$173m in year 2027 consists of NCI-KMC of \$16m and NCI-EMK of \$157m.

Capex Plan for 2025

Supporting KIT's sustainable long-term growth

Maintenance Capex

- Capital expenditure to **sustain** the historical revenue and profitability as well as for HSE and regulation purposes
- Mainly relates to replacement/enhancements of machinery and equipment

Energy Transition

S\$17m

Environmental Services

S\$8m

Distribution & Storage

S\$70m¹

Growth Capex

- Value accretive capital expenditure which will **drive value upside to existing portfolio value**

Energy Transition

S\$26m

Purpose: Mainly for plant life extension, EV and Solar investment and new wind farm dropdown

Environmental Services

S\$8m

Purpose: Plant life extension and capacity expansion

Distribution & Storage

S\$31m¹

Purpose: Growth in various business segments

1. Forecast capex plans for Ixom and Ventura are based on their financial year ending 30 September, and 30 June, respectively.

Commitment to Sustainability
